

GAS FIRED HOT BOXES

LARGO HOT BOXES are premium water heaters with 100 degree heat rise and working pressures up to 4000 psi. Our spiral wrapped completely insulated cold rolled heating coils are efficient, durable and have a 5 year pro-rated warranty. Many applications require hot make up water including de-icing, thawing, trenching, drilling and many cleaning applications. Also available in oil fired models and higher volume gas heaters. Please see our brochures for those models.
