

# GAS ENGINE DIRECT DRIVE TOMCAT

**LARGO TOMCAT** Hot Water Gasoline Engine Direct Drive portable washers are ideal for on the go cleaning applications. Available with either 12VDC burners (require group 24 battery, not included) or 115V burner (requires 4amps). Simply supply water with a garden hose and you are all ready to go. These direct drive General Pump units work well when connected to an inlet water hose. Use our belt driven Tomcat Gas Units for mobile tank operation where the pump must vacuum water.
